Dear Mr. Schmidt:

Thank you for recently sharing with City Council your ideas regarding the broadening of our vision of Downtown to include basin walls, our hillsides and careful planning.

At City Council's meeting on October 30th, your postcard communication was presented to the members of Council. The City administration and members of a Committee of Council will review and consider your thoughts.

On behalf of the Council, I want to thank you for keeping us informed of your thinking.

Very truly yours,

  
David S. Mann  
Mayor of Cincinnati
